**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I moved into a new city in April. Upon arriving I heard nothing but complaints about the awful internet provided by Comcast. It was not fiber, it was not dependable, etc. etc. In addition, when speaking with Comcast, I got a run around on service etc. I cannot imagine going with anyone but Sonic. They have been dependable and the service has been fabulous. Being that I run a business out of my home, I desperately need a service which is consistent and dependable. Broadband competition is what saved me with serious problems I would have had if I was forced to go with their competitor.

Sincerely,

Judy Puckett
